About Me

I'm a **student** "Hello! I'm Manokar R, a passionate and driven Computer Science student pursuing my Bachelor's degree. With a strong foundation in programming languages, data structures, and algorithms, I'm excited to explore the vast opportunities in the tech world. I'm fascinated by the endless possibilities of technology and its impact on society. I'm constantly seeking to expand my skill set, staying updated with industry trends, and experimenting with innovative projects.
